# HomeSafe Happenings

Our Mission: Creating safer, more productive lives for infants, children and families

## Recreational Endowment An Investment in Happy Memories for Kids Living at HomeSafe

It's Spring Break! A time for kids (and adults) to take a break from the daily routine and have some fun ...days at the beach ... a visit to the zoo ... a trip to Disney. It's a time to create new memories to be cherished and relive the excitement of ones from years past.

HomeSafe strives to provide a nurturing, family atmosphere for the abused and neglected children in our care. To help our kids heal from the trauma they've suffered, we need to help them create happy memories they can hold on to.

The Community Foundation for Palm Beach and Martin Counties has given HomeSafe a \$25,000 challenge grant. HomeSafe is one of 16 local agencies awarded this grant to establish a permanent endowment with the Community Foundation. This new endowment will give us a stable, reliable source of funding for year-round regular recreational activities – including Spring Break and summer break – that will allow our kids to experience a typical childhood and practice their behavior management skills while out and about in the community.

### We're asking you to help us match the Community Foundation's generous grant within the next 30 days.

Your donation will not only fund trips to Disney, SeaWorld, Universal, the Rapids, Palm Beach Zoo, roller skating, goony golf, Lion Country Safari and so many other great places, but most importantly, it will provide cherished memories for the children growing up at HomeSafe.

Please send in your matching gift by completing and mailing in the form below. Donations can also be made online at [www.HelpHomeSafe.org](http://www.HelpHomeSafe.org). Go to the donation page and in the comment box of the form, please write *Recreational Endowment*.
